

## Benefit Advice from Richmond AID

Richmond AID is a charity that offers advice and information on all aspects of disability. We regularly answer enquiries from people with disabilities, their families, friends and carers and professionals.

Richmond AID is now starting an exciting new project, funded by the London Borough of Richmond, which will offer full and comprehensive benefits advice, including form filling, to the residents of the borough. Available two days a week we now have two Benefits Advisors who are on hand to offer:

- o Advice on eligibility
- o Information on how to apply
- o Assistance with form filling
- o Advice on what other benefits and concessions might be available
- o Support throughout the process

## What Benefits we cover

We can offer assistance with many disability and welfare benefits, including:

- o Disability Living Allowance for adults and children
